

A reminder to all members: The Club has a tennis pro, William Wert, available for clinics and private lessons. William is a USPTA Certified Teaching Professional, he serves as Adjunct Professor in the Dept. of Health and Human Performance at the College of Charleston, and he is coach of the girls tennis team at Academic Magnet High School. He teaches all ages and skill levels. Currently, William offers adult tennis clinics most Saturday mornings at the club (two hours for \$10) Adult clinic fees are paid through the club and can be put on your member tab. Junior clinics are generally on Saturday evenings and one evening a week (two hours for \$30). William also offers discounted private lessons for members at the Club. Contact William directly (843) 834-5915 wrvtennis@gmail.com to order lessons.

Also, there has been recent interest in pickleball. The Club now has some pickleball equipment, and court lines are coming soon. If there is sufficient interest in learning pickleball . . . William teaches that too.

From time to time the club hosts tennis tournaments. These are casual affairs meant to promote fun and participation. Please be on the lookout to join the fun!

To stay “in the know” on what is happening with tennis at the Club, contact Ron Maguire to be added to the tennis email list.
