## 51<sup>th</sup> Annual Fishing Tournament

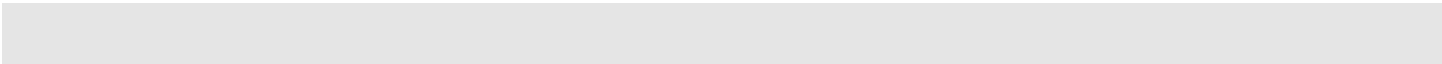

### Sponsorship Program

2021 King Mackerel & Inshore Tournament  
July 30 – 31, 2021

**Southern Kingfish Association Division 3**

**2020 Tournament Winners Team Cash Money**

# **INTRODUCTION**

James Island Yacht Club is a 114 year old neighborhood yacht club on the Charleston harbor. As a member of the Sea Island Yacht Club Association, it enjoys a long history of involvement in the Low Country maritime community. Its membership of over 500 families has a mix of interests including sailing, boating and fishing. We regularly host events like the Southeast regional special Olympic sailing regatta and Wounded Warrior Sailing as well as several club fishing tournaments. Our 51<sup>th</sup> Annual King Mackerel and Inshore tournament is the oldest continuously running tournament in the Charleston area. The charity for our tournament is the Coastal Crisis Chaplaincy. Last year we donated \$3,000 to the Coastal Crisis Chaplaincy from fishing tournament proceeds.

## **SPONSORSHIP PROGRAM**

### **Title Sponsor (\$10,000)**

First, there is the title sponsor level. This would be a full page placement in the program, company logo on front pocket on the event T-Shirt and paid entry into tournament. With this the Title sponsor, also gets all main name placement in press releases, radio advertisements, entry form, mailings, banner placement in pavilion for captain's meeting and weigh-in. With the "Presented by" caption. You can also include flyers or promotional give aways at registration/Captain's meeting. Your boats or equipment to display. These are on the grounds in the pavilion area at the tournament and for check in boat. For \$10,000, you get a complete sleeve on the long sleeve shirts and single logo for the pocket placement. Last year, we ran several weeks of radio advertising on I HeartRadio stations WEZL (Country), WRFQ (Adult Rock) and WSCC (News Talk Radio) with over 106 spots and also website banners. The plan is to do the same this year. It can be split to two Co-sponsors from difference industry segments.

### **Secondary Sponsor (\$5,000 - \$3,500)**

The next level sponsorship is the named or secondary sponsor where your company's name is placed on the sleeves of the T-shirt. Partial sponsorship of a significant portion would still mean a prominent logo/banner placement, but shared advertising position. This level can be tailored to fit your budget or commitment level. Mentioned in the I Heart radio spots.

### **Named Sponsor (\$750 - \$1,500)**

The named sponsor level is similar to the secondary sponsor, but your company name and logo will be on the sleeve of the shirt under the tournament artwork and in the brochure and entry form.

### **Sponsor (\$350 - \$500)**

Sponsor's company name and logo will be on the back of the shirt under the tournament artwork and in the brochure and entry form. Donation can be cash or raffle merchandise

### **Donor (\$100 or equivalent in raffle donations)**

Donors will have their names placed in the brochure and entry forms.

**SPONSORSHIP LEVELS:**

- Title Sponsor: Minimum investment \$10,000 Co-Sponsors (\$5,000 each)**
- Secondary Sponsor: Minimum investment \$ 3,500**
- Named Sponsor Minimum investment \$ 750 or Equivalent**
- Sponsor Minimum investment \$ 350 or Equivalent**
- Raffle Donor Minimum investment \$100 or Equivalent**

We welcome any and all levels of sponsorship as a growing tournament. We have proven ourselves thus far and strive to reach the South Carolina coastal king mackerel angler through the SKA (Southern Kingfish Association) membership list. This year we are the 3rd sanctioned tournament in Division 3 Overall, we average entries of 80-90 boats/teams, which will give good exposure to your company in the angling and maritime community. Please take some time and familiarize yourself with our tournament and feel free to call us and entertain becoming a coming sponsor.

**PRIZE SPONSORSHIP FOR FISH CATEGORIES:**

There will be named sponsors for each category of fish with a guaranteed minimum prize provided for by the sponsor. They will have prominent positions on all correspondence, literature, website and T-Shirt. Their banners and promotional items will be included in the captain's bag/buckets. Also their banners will be prominently displayed on site. The past three years the top payout averaged over \$26,000 with calcuttas and TWT monies.
